The number of days when the school will be open to students will be close to 190 days but varies depending on the spread of the term dates. It will typically be between 185 and 190 days (187 in 2023/24). On staff development days (5 in 2023/24) hospitality is required, as lunch will be provided for staff.

The contract offered covers the scope for the provision of all catering services within the school, which currently includes morning break, lunch, all hospitality and free issue requirements. Free School meals and hospitality will be charged based on consumption and at net food cost.
