Section VI. Complementary information

VI.3) Additional information

This PIN forms part of the Market Engagement activities between prospective Suppliers and UWE Bristol (the University) regarding the procurement of a Contractor to provide Waste and Recycling Services Contract. Interested parties are asked to complete a Questionnaire. Responses to these questions will help define and shape the size, scope and scale of the forthcoming procurement opportunity. It is hoped that this market consultation may bring to light opportunities for the business and new ways of working. We are keen not to inadvertently constrain potentially viable arrangements nor preclude potentially viable suppliers. The Questionnaire should be completed and returned electronically through the In-tend portal. In-Tend can be accessed via <https://in-tendhost.co.uk/he.aspx/Home>.
