Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The LMS facility has 3 Illumina sequencers: Miseq, Nextseq500 and Nextseq2000 that are used to deliver the sequencing services.

Illumina uses the Sequencing by Synthesis technology and manufactures sequencing kits to be used with their instruments to deliver highly accurate base-by-base sequencing and robust performance across multiple genomes. Illumina is the only manufacturer and supplier of these sequencing kits and we are not aware of any alternative kits/supplier for this particular type of sequencers.
