Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Rolling Stock Class 777 Moves

Reference number

DN529564

II.1.2) Main CPV code

- 50000000 - Repair and maintenance services

II.1.3) Type of contract

Services

II.1.4) Short description

Due to a capacity issue on the Merseyrail Electric Network there will be a requirement to move a number of the class 777 units to locations outside of the network. The class 777 units are Electric Multiple units at a length of 65m and consist of 4 cars operated by means of a 750dc 3rd rail. The units will have to be hauled over non-3rd rail electrified lines.

The number of moves required is unknown at present, but it is expected movement from the network will need to commence during the first week in June. The regularity of the required moves will depend upon the number of units delivered to the UK and capacity of the Merseyrail network at the time.

Below are the main points for consideration.

- a) Collection and delivery to the Merseyrail network will be to/from the Stadler maintenance depots at either Kirkdale or Birkenhead North.
- b) The moves will take place on Sundays (Dates to be confirmed) between 2200hrs and 2359hrs. This could change subject to operational constraints.
- c) Shunting duties at the depot(s) must be carried out within the 2-hour slot allocated (between 2200hrs and 2359hrs)
- d) The number of moves cannot be determined at this stage.

- e) The dates of the moves are estimated as commencing June 2021.
- f) Depending on several factors, the number of units to be moved could potentially be up to 24 by the end of December 2021, or more into 2022.
- g) Prior to each move driver names are to be provided together with Assessment Records for relevant traction to be used.
- h) The delivery locations will be a combination of the following sites;
 - a) Wolverton, Buckinghamshire
 - b) Eastleigh, Hampshire
 - c) Bicester, Oxfordshire
 - d) Kineton, Warwickshire
 - e) Warrington, Cheshire
 - f) Peel Port, Merseyside

Merseytravel request that the following is costed for

- a) One move of one class 777 (4 car unit) one-way from/to the Merseyrail Network to/from each of the locations above.
- b) One move of two class 777's (Consisting of 8 cars) one-way from/to the Merseyrail Network to/from each of the locations above.

II.1.5) Estimated total value

Value excluding VAT: £800,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 34000000 - Transport equipment and auxiliary products to transportation

II.2.3) Place of performance

NUTS codes

- UKD - NORTH WEST (ENGLAND)
