II.1.4) Short description

The Kent County Council (KCC) wishes to engage with suppliers regarding capacity in the market to provide Household Wood Waste processing services.

KCC would like to take the opportunity to invite suitably qualified waste management organisations to express an interest in this requirement.

The supplier must have the capacity to process up to 30,000 Tonnes of Wood per annum.

If your organisation is interested in processing any of KCC's Wood Waste and has capacity to take some of this material in the future, please express an interest.

KCC will contact Suppliers who express an interest in this opportunity to understand their organisations capability and capacity to meet the requirements of this service.

The Supplier's processing facility must be fully permitted and organisations must already be practiced in delivering the highest standards of Health and Safety and Environmental compliance to deliver a highly organised and efficient waste processing service; using expertise and innovation to ensure best value for money for KCC.
