The successful Supplier will be required to provide IT & Network services for All Saints' Academy.

Our Academy has excellent, modern facilities and a staff team who aim to provide a caring and enriching learning environment for all our students where their needs and personal growth are given utmost priority.

Our purpose is to be a beacon of hope for our students, families and the local community. We are founded on Christian values in serving Cheltenham, Tewkesbury and the Diocese of Gloucester. We strive to give enjoyment in learning, instil a determination to achieve and succeed.

We are one of the top two best performing non-selective secondary schools for overall GCSE performance in the town of Cheltenham and we have been for four years. We are also the top performing Christian non-selective secondary school in Gloucestershire.

The Academy is looking for an IT service partner that can not only manage and support the IT network, both currently and in the future, but that also add value through proactive recommendations and enhancements that will support All Saints' Academy's strategy and growth. The aim is to support and enhance the current IT provision in school, both for academic and administrative purposes. Proven expertise in the proactive development of IT Systems in an Educational Environment is essential.

The selected service provider shall be:

- Fully conversant with evolving legislation regarding the provision of IT & Network Services in a Secondary School environment
- Required to evidence their Quality Assurance and Security Systems
- Required to evidence their proposed Key Performance Indicator measures for the contract
- Required to periodically present performance reporting and systems development recommendations to Governors
- Qualified to provide advice and support School IT & Network Services Hardware & Software Procurement activities
- Experienced in Network design in a Secondary School environment
- Support all current and future School systems

The contract will provide onsite support, including maintenance, currently on-site via the Network Manager and Support Technician located in school 5 days a week 52 weeks of the year. The Academy is receptive to proposals of alternative support models.

Comprehensive off-site system support is required 24 hours a day, 7 days a week, and 365 days a year.

Maintenance and System Development activities shall be undertaken outside the 190 academic term-time days to minimise any disruption to pupil education and teaching activities.

The contract will commence on 1 January 2025 for an initial period of three years, ending 31 December 2028, with the opportunity to extend for a further period of up to two years at the discretion of the governing body

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement. It will be the supplier's responsibility to obtain any necessary documents in order to submit a response by the closing date and time.

The contracting authority reserves the right not to award any or part of the contract which is the subject of this contract notice and reserves the right to terminate the procurement process at any time.

The contracting authority will not be liable for any costs incurred by those expressing an interest in tendering for this contract opportunity.

The contracting authority will consider variant bids, evaluating them (so far as the variant or the evaluation of the variant is in the opinion of the contracting authority practicable) on the same basis as a conforming bid, but shall not be obliged to accept any such bid in preference to a conforming bid even if the variant bid scores more highly. No variant will be considered unless the bidder simultaneously submits a conforming bid.
