#### **II.1.4) Short description**

Hampshire and Isle of Wight Fire and Rescue Authority wishes to invite suitably qualified organisations to respond to questions regarding the supply and recovery of depolluted End-of-Life cars delivered to and collected from Hampshire and the Isle of Wight to be used for operational training purposes. These End-of-Life cars will be used during practical training exercises offering fire fighters hands on realistic scenarios to prepare them for possible situations they may encounter in the field.

The purpose of this PIN is to engage and inform the market of this opportunity to supply and recover depolluted End-of-Life cars to Hampshire and the Isle of Wight.

The Authority is looking for the contract to be met in full, which means that organisations may need to deliver and recover to both Hampshire and the Isle of Wight. Interested organisations should complete and submit the market engagement questionnaire. Details on how to access this is within section II.2.4 below.
