II.1.4) Short description

The GSENZH are looking to procure retrofit services against the following themes: Turnkeys, Managing Agents, Inspection services, Installers, Retrofit assessments/coordination and Design, and Energy Efficient Products/ancillary items, covering a range of schemes. This will be a new DPS, in addition to the current Installer DPS.

A Market Engagement Webinar has been planned to enable an efficient consultation with relevant suppliers and installers to gain an insight into your expressions and assess your appetite to tender for works across existing and upcoming government-funded, multi-measure retrofit program.

The purpose of the Webinar is to provide you with an overview of the following:

- The government-led retrofit schemes being delivered by the GSENZH in the region
- The proposed delivery route (multi-category Dynamic Purchasing System)
- The benefits of applying to become an approved supplier on this new DPS
- The technical requirements, standards and expectations of suppliers of the new DPS
- Timelines and the Procurement approach

The Webinar aims to provide comprehensive details of this exciting New Procurement venture, opening up more opportunities for suppliers working across the UK.

This event will be hosted online via teams, featuring presentation from the Hub's Procurement experts. Attendees will be given the opportunity to ask questions and also have access to a detailed questionnaire.

Details of the event:

Date: 27th February 2024

Time: 11am
