II.1) Scope of the procurement

II.1.1) Title

General Practice Core Training

II.1.2) Main CPV code

- 80000000 - Education and training services

II.1.3) Type of contract

Services

II.1.4) Short description

This notice is placed as a Prior Information Notice (PIN) to inform the market of NHS Bristol North Somerset South Gloucestershire (BNSSG) Integrated Care Board (ICB) (the Commissioner's), intention to recommission General Practice Core Training. The Commissioner would like to understand the level of provider interest in delivering these services.

NHS BNSSG ICB (the Commissioner) is seeking to secure a Prime Provider who has the capability and capacity to deliver Clinical and Non-Clinical general practice core training services, in line with the specified requirements."

The geographical area is within Bristol North Somerset and South Gloucestershire (as per the BNSSG ICS)

The contract duration is expected to be from 01 June 2025 for a period of 3 years with the option to extend for a further 1 year period.

To best support our general practice and PCN staff it is important the provider has a local presence, knowledge and experience of BNSSG, such that training content matches local operational models and patient service provision needs.

BNSSG general practice face challenges as we all do in the NHS, this may result in practice mergers, closures and PCN changes. The BNSSG Training Hub is contracted to 31/03/26 with a national review currently taking place to consider a 3-year contract from 26/27 to 28/29 (to coincide with this 3+1 contract). Additional funding may be available each year, dependant on national and local allocations and agreement.

The contract value for the initial 3-year period is £630k. If the extension option is exercised the total contract value is £840k.

This exercise is being managed by NHS South, Central and West Commissioning Support Unit (SCW) on behalf of the Commissioner(s).

II.1.5) Estimated total value

Value excluding VAT: £840,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKK11 - Bristol, City of
- UKK12 - Bath and North East Somerset, North Somerset and South Gloucestershire

II.2.4) Description of the procurement

This notice is placed as a Prior Information Notice (PIN) to inform the market of NHS Bristol North Somerset South Gloucestershire Integrated Care Board (the Commissioner's), intention to recommission General Practice Core Training. The Commissioner would like to understand the level of provider interest in delivering these services, with an providers submitting and Expressions of Interest (Eoi) via the e-tender portal.

NHS BNSSG ICB (the Commissioner) is seeking to secure a Prime Provider who has the capability and capacity to deliver General Practice Core Training services, in line with the specified requirements.")

- The geographical area is within Bristol North Somerset and South Gloucestershire (as per the BNSSG ICS)

Outline of services / main requirements:

BNSSG ICS General Practice serves 1m population with 76 practices and 20 PCNs. Key to service delivery is the core training offered to General Practice Nurses (GPNs), Health Care Assistants (HCAs), Additional Role Reimbursement Scheme (ARRS) roles and non-

clinical staff (NCS), which together form over 50% of general practice staff.

This content of this training is critical to ensure local application/ content to meet the ongoing development needs of staff, and to enable an associated development of patient services, mindful of the ICS plan to reduce health inequalities.

Service requirements:

- To provide a cost effective, value for money service
- To provide an efficient platform and processes for general practice staff (and their line managers) to access, book, amend, cancel, get certification and to review their course bookings (at individual and preferably practice and PCN level)
- Course communication to clearly explain the profession/s and level being provided for (to account for registered/ unregistered staff with various competencies)
- To provide robust and transparent reporting on a quarterly basis by practice, PCN and course, to include sign-up, cancellation, DNA and attendance; participant feedback
- To provide an annual report evaluating service performance with recommendations for improvements.
- Ensure the provider can demonstrate evidence of qualifications that enable them to deliver the training.
- To ensure appropriate quality adherence to the Education and Training Standards and self-assessment, CQC and the Safer Learning Environment Charter.
- Demonstrate knowledge of national, local and BNSSG policies and pathways.
- To provide a mixed training delivery methods to include simulation, pre-recorded, online and face to face training.
- Ensuring face to face training is maximised and provided across all BNSSG localities, particularly for 'softer' skills training and mindful of reasonable adjustments for neurodiversity or specific learning needs such as poor literacy.
- To provider professional, timely and constructive support to practices and PCNs with queries, complaints and feedback to candidates (where their assessments are poor or a cause for concern)
- The contract holder will also be expected to support the Training Hub and ICB with any associated submissions or requests for information or data relating to this programme.

Budgetary requirements:

- The available total funding for this scheme is £840k exclusive of VAT for the 3+1 year duration of contract from the Primary Care NHSE funding allocation for general practice, overseen by BNSSG ICB board.
- The total budget to include delivery, communication materials (hard/ electronic and socials), administration, reporting, evaluation and support to practices and PCNs.
- Outstanding funding resulting from under delivery against target activity will be repaid at the end of the financial year or further services offered as per contract scope and as agreed with commissioners.
