This is for equipment and software.

II.2.5) Award criteria

Quality criterion - Name: Criterion 1 / Weighting: 70

Cost criterion - Name: Price / Weighting: 30

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The supplier will provide a full end to end solution. The equipment solution including the software to run it from Perkin Elmer is working across Public Health England. Maternal Serum Screening (MSS) is commissioned to provide first trimester (Down's, Patau's and Edward's Syndrome) and second trimester (Down's) antenatal screening for North East of England and Cumbria. Contracts are also in place to provide the same service for a number of other units around the UK using the same equipment. The network must all utilise the same methodology to remain compliant with the network approach and removes risk. Perkin Elmer is the incumbent supplier for the Trust.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section V. Award of contract

Contract No

T/2022/008

A contract/lot is awarded: Yes
