The Contracting Authority is issuing this Prior Information Notice (PIN) as a Request for Information (RFI) to engage with the market and to gather information in order to gain a better understanding of both the capacity and appetite of the market in delivering the proposed services.

This PIN/RFI is intended as an awareness, communication, and information gathering exercise. An expression of interest is no indication of a commitment to participate in the RFI process nor does it infer any preferential or special status on those individuals and organisations who express an interest in the RFI exercise.

NECS is utilising an electronic tendering portal (In-Tend) to manage this RFI and as such interested individuals and organisations will need to register on the portal to access the RFI documentation and return their completed RFI documentation.
