II.2.4) Description of the procurement

BEIS seek a contractor to deliver acceleration support services for up to 200 SMEs in the upcoming BEIS Net Zero Innovation Portfolio (NZIP). It is expected that the NZIP will fund many SMEs through its innovation programmes. To ensure best value for money from these projects, incubation support will be offered alongside their project deliverables, thereby increasing the capability of companies to exploit & commercialise their specific technology.

The contractor will be responsible for both the administration & provision of Acceleration Support services, identifying & filling skills gaps within companies that currently prevent them from bringing innovations to market efficiently. It is expected the contractor will be able to identify Acceleration advisors who have the knowledge and expertise to provide bespoke & strategic advice to companies.

A supplier engagement day was held in October 2021 – please contact acceleration.support@beis.gov.uk for outputs from this event.

II.2.14) Additional information

An ITT with the full contract requirements will be published in the last two weeks April 2021, with the contract being awarded in July 2021. Interested parties should register their interest for this work by emailing acceleration.support@beis.gov.uk with the subject heading “Acceleration Support ITT”.
