# II.1) Scope of the procurement

II.1.1) Title

Supply of Signage

Reference number

(FC37 - C8603)

### II.1.2) Main CPV code

• 34928470 - Signage

### II.1.3) Type of contract

Supplies

### II.1.4) Short description

This supply of signage tender scope of work, includes installation and delivery of signage across the Anchor locations. There are different signage requirements for different tenures within the organisation split into, New Developments, Care Homes, Rented, Leasehold and Extra Care. Other signage areas covered include Safety Signage and PIB Boxes. The appointed contractor will be responsible for a small element of design, supply, delivery, and installation of signage in accordance with the specifications.

The signage must align with the organisation's branding guidelines, ensure high visibility, and be constructed using durable, high-quality materials suitable for long-term use. Anchor brand guidance is available in the supporting documents section on the portal. Installation must be carried out by qualified professionals, adhering to all relevant health and safety regulations and industry standards.

Tenderers are expected to provide a comprehensive proposal detailing their approach to quality management, customer service, health and safety, innovation and mobilisation. Compliance with environmental and sustainability considerations is also a part of the evaluation criteria.

Anchor's business needs regarding signage can be split into 2 distinctive Lots;

Lot 1 Marketing and Sales Signage;

Lot 1 Focuses on pre-construction signage designed to promote and market Anchor's

# future developments.

Product list examples;

- Hangman Signs
- Flags
- Wobble Board
- V- Stack Signs
- Contravision
- Hoardings

Pre-installation: In addition to providing the product requirements Anchor would expect a full site survey to take place which will detail the requirements and assess the appropriateness of the Signage/Marketing materials.

Installation: Anchor expects suppliers to work closely with the site manager and communication is essential to produce and install the signage on site.

Post-installation: The appointed contractor should produce a portfolio of works to be completed with images of the finished project.

Further information can be found in the specification document and supporting document.

Lot 2 Generic Signage;

This Lot focuses on the Anchor-approved specification to maintain and update existing signage. This could be due to breakages, decorations and updates. Product list includes;

- Wayfinding
- H&S Signage
- Meet the team boards
- Window Manifestation
- Door Plaques
- External Main Signs

### II.1.5) Estimated total value

Value excluding VAT: £700,000
