Engagement

Engagement deadline

4 February 2026

Engagement process description

The engagement will focus on gathering market insight, assessing supplier capability, and refining the proposed procurement approach. This will include discussion of service requirements, delivery expectations, and any anticipated challenges.

market insight

supplier capability

procurement approach

Suppliers wishing to participate in the engagement process should return the soft market template (available once signed into pro contract, ref DN803861). The form should include company details, relevant experience, and confirmation of attendance at the scheduled events.
