Educational attainment expert advisory services

Reference number

22/23-289

II.1.2) Main CPV code

- 72212190 - Educational software development services

II.1.3) Type of contract

Services

II.1.4) Short description

The Welsh Government wishes to procure a package of internationally recognised expert advisory services to improve education and reduce the impact of poverty on educational attainment.

This must include:

a pre-existing off-the-shelf online toolkit, informed by a robust evidence base from high quality and internationally recognised research and evaluation of effective teaching practice;

commitment to develop the evidence and case studies to inform a contextualised resource specifically for educators in Wales, drawing on existing effective practice;

providing access to established international and UK networks of educators and researchers to collaborate on improving education and reducing the impact of poverty on educational attainment; and

specific time commitments to support Welsh policy development drawing on internationally recognised organisational expertise.

II.1.5) Estimated total value

Value excluding VAT: £250,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)
