## **Design and Engineering Services**

NORTHERN GAS NETWORKS LIMITED

F15: Voluntary ex ante transparency notice

Notice identifier: 2022/S 000-005064

Procurement identifier (OCID): ocds-h6vhtk-031a64

Published 23 February 2022, 1:25pm

### **Section I: Contracting authority/entity**

#### **I.1) Name and addresses**

NORTHERN GAS NETWORKS LIMITED

1100 Century Way Thorpe Park

LEEDS

LS158TU

#### **Contact**

Andrew Christophers

#### **Email**

[achristophers@northerngas.co.uk](mailto:achristophers@northerngas.co.uk)

#### **Telephone**

+44 7510367358

#### **Country**

United Kingdom

**NUTS code**

UKE42 - Leeds

**Internet address(es)**

Main address

<https://www.northerngasnetworks.co.uk>

**I.6) Main activity**

Production, transport and distribution of gas and heat

---

**Section II: Object**

**II.1) Scope of the procurement**

**II.1.1) Title**

Design and Engineering Services

**II.1.2) Main CPV code**

- 71300000 - Engineering services

**II.1.3) Type of contract**

Services

**II.1.4) Short description**

This relates to the 12 month extension of a Framework Agreement for the provision of Design and Engineering Services covering Electrical and Instrumentation, Civil Design & Engineering and Mechanical / Pipeline design and Engineering. These design & Engineering works cover the design and engineering element of NGN's large project portfolio. This extension is being put in place to provide the necessary support to NGN while it conducts a new Procurement to enable the establishment of a new Framework for the supply of these services to commence January 2023. To this end an expression of interest has been published on the Achilles UVDB Platform to notify potential participants of this opportunity

### **II.1.6) Information about lots**

This contract is divided into lots: No

## **II.2) Description**

### **II.2.3) Place of performance**

NUTS codes

- UKC - North East (England)
- UKE - Yorkshire and the Humber

### **II.2.4) Description of the procurement**

This framework incorporates the following services E&I / CP Design works to include Electrical pressure reduction station site upgrades / overhauls, Instrumentation on pressure reduction station site upgrades / overhaul, Calorimeter replacements, Metering upgrades, Telemetry upgrades, Cathodic Protection design, G17 Appraisal/Approval. Civil Design and Engineering works to include Gas holder demolition design works Structural design, Mass / reinforced concrete design, Civil Base Design, Security Fencing design, Building design, Valve pit design

& Civil site overhauls, G17 Appraisal/Approval. Mechanical/ Pipeline Design & Engineering works to include Steel pipeline design (all pressure regimes LP, MP, IP, HP), Pressure reduction station upgrades (regulators, filters, slamshuts etc) Pressure reduction station rebuilds/ new 'greenfield' Pre heating Biomass connections G17 Appraisal/Approval. All the above to incorporate Comprehensive Site Surveys Provision of Conceptual Design, Appraisal & Approval Services, Provision of Detailed Design, Appraisal & Approval Services, Provision of on-going Design Support (through construction phase) & Provision of Drawings

### **II.2.11) Information about options**

Options: No

---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.1) Type of procedure**

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

NGNs procurement strategy for the provision of engineering design services for its capital delivery program was to incorporate such services within the work delivery frameworks. As such the existing framework for the provision of these engineering services was allowed to lapse. During the course of the procurement of the delivery frameworks it became clear that there would still be a requirement for independent design and engineering works. As such NGN have taken the decision to extend the existing framework for the course of 2022 with a view to establishing a new framework prior to 2023. To this end an Expression of Interest (EOI) has been published on the Achilles UVDB platform to seek interest from suppliers in participating in this procurement.

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: No

---

## **Section V. Award of contract/concession**

A contract/lot is awarded: Yes

### **V.2) Award of contract/concession**

#### **V.2.1) Date of conclusion of the contract**

20 January 2022

---

## **Section VI. Complementary information**

### **VI.4) Procedures for review**

#### **VI.4.1) Review body**

Northern Gas Networks

Leeds

Country

United Kingdom
