The contract will be based on a fixed rate of 550GBP for a full day (7 hours minimum) and 275GBP for a half-day (3.5 hours minimum). Timesheets will be required (a template will be provided) to evidence that the minimum time requirement has been met when submitting a claim for costs.

During the contract delivery period, Business Gateway Fife will provide the following by way of support, reporting and guidance material:

- Promotional material and guidance on the UKSPF funded Specialist Business Advice programme
- Access to the online system through which contractors will submit timesheets, evidence and claims for payment.
- A client feedback template
