Section II: Object

II.1) Scope of the procurement

II.1.1) Title

One London Local Health and Care Record Dynamic Purchasing System

Reference number

DN441104

II.1.2) Main CPV code

- 48000000 - Software package and information systems

II.1.3) Type of contract

Supplies

II.1.4) Short description

The purpose of this national Local Health and Care Record DPS is to support engagement between technology suppliers and the LHCRE sites and provide a compliant route to market for the procurement of the technology solutions required to build and deliver the strategic plans of any existing and/or future exemplar sites as well as any other existing and/or future health and/or social care record programmes.

The first category to be launched under the DPS will be focused on the development of the One London Architecture, data standards and infrastructure; however, the volume of categories on the DPS will grow over time at the full discretion of the authority.

Future categories may encompass any element of a technology solution required to build and the deliver the strategic plans of any existing and/or future exemplar sites as well as any other existing and/or future health and/or social care record programmes.

VII.2) Other additional information

The One London Health and Care Record Dynamic Purchasing System, original OJEU ref

2019/S 222-544752 will now be hosted on the Atamis eTendering portal rather than

ProContract (Proactis). Interested bidders should now apply to the DPS at: <https://health-family.force.com/s/Welcome> rather than www.lppsourcing.org and apply for project reference C25811 which replaces the old ProContract project reference DN441104. Suppliers who are already successfully awarded to the DPS will already have been contacted and do not need to reapply through Atamis. The DPS is now live on Atamis and the ProContract portal will no longer be open for new bidder applications from the 23rd of February 2022.
