- 79418000 - Procurement consultancy services

II.2.3) Place of performance

NUTS codes

- UKJ44 - East Kent

Main site or place of performance

Entire Port of Dover estate includes;

- Eastern Docks
- Western Docks
- Seafront estate
- Ancillary sites connected to the main Port location

II.2.4) Description of the procurement

The Port of Dover is one of the busiest international ferry ports in the world and the second busiest UK cruise port. The Port operations includes ferry berths and facilities at the Eastern Docks; cargo, cruise, aggregate, marina berths and facilities at the Western Docks including a Customs clearance facility for freight; seafront and other properties.

This new professional services framework represents an exciting opportunity for you to collaborate with the Port team and be part of projects that will have a significant and lasting impact on our national critical infrastructure here at the Port.

The scope of this professional services framework is expected to be covered under the following key areas:

- Architectural services;
- Civils, Highways, Maritime and Structural services;
- Mechanical and Electrical services;
- Commercial and PMO services;
- Asset Management services;
- Strategic Support services.

To request the PQQ documents please email podprocurement@doverport.co.uk quoting the Publication Reference for this Notice.

The deadline to request the PQQ documents is 15 days from the issue date of this notice.
