II.2.4) Description of the procurement

Procurement for the establishment of a Framework to cover Sponsorship Agency Services.

TfGM's Commercial team has been successfully generating income through the exploitation of TfGM's diverse assets over the last few years; identifying and delivering new and innovative commercial partnerships aligned to the strategic principles of the Commercialisation Strategy and the Greater Manchester Transport Strategy 2040. This work has included successful partnerships with Vodafone (official Metrolink wifi sponsor), intu Trafford Centre (stop naming rights) and numerous campaigns with major events and brands within GM, including Ikea, BBC, Manchester International Festival and RHS. The team won the Silver Award in the Media Sales category in the Prolific North Awards 2019 and have delivered increased income levels as a result of their commercial partnerships work year on year.

We anticipate that further opportunities will be identified and developed as a result of this procurement and believe that TfGM is able to offer many potential and visible opportunities, including the ability to reach both mass and specifically targeted audiences; a strong positive brand association with Manchester; the opportunity to provide a real life showcase of products and services and the ability to satisfy a wide range of marketing objectives.

This procurement seeks to provide a framework agreement made up of two Lots tilted: Lot 1: Sponsorship Asset Valuation and Lot 2: Taking Sponsorship Opportunity to Market.

Lot 1 of the framework requires agencies to support with the valuation and viability of existing projects within its portfolio but also to assist with the identification of opportunities not currently scoped for commercial sponsorship. The agencies should be able to help TfGM respond to demands from the market regarding the types of projects brands are looking to invest in.

- TfGM reserves the right to terminate this procurement process or to amend or vary the process at any time prior to the conclusion of the award of contract without liability to any party.
- Applicants are advised that the most economically advantageous tender or any tender will not automatically be accepted.

VI.4) Procedures for review

VI.4.1) Review body

Transport for Greater Manchester

Manchester

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

TfGM will incorporate a minimum 10 calendar day standstill period at the point information on the award of the contract is communicated to tenderers. This period allows unsuccessful tenderers to receive further debriefing from the contracting authority before the contract is entered into.

Applicants who are unsuccessful shall be informed by TfGM as soon as possible after the decision has been made as to the reasons why the applicant was unsuccessful. Should additional information be required it should be requested of the addressee in section I.1. If an appeal regarding the award of the contract has not been successfully resolved, The Public Contracts

Regulations 2015 (SI 2015 No.102), as amended, provide for aggrieved parties who have been harmed or are at risk of harm by breach of the rules to take action in the High Court. Any such action must be brought promptly (generally within 30 days). If a declaration of ineffectiveness is sought, any such action must be brought within 30 days where TfGM has communicated the award of the contract and a summary of reasons to tenderers, or otherwise within 6 months. Where a contract has not been entered into, the Court may order the setting aside of the award decision or order the authority to amend any document and may award damages. If the contract has been entered into the Court may, depending on the circumstances, award damages, make a declaration of ineffectiveness, order TfGM to pay a fine, and/or order that the duration of the contract be shortened. The purpose of the standstill period referred to above is to allow the parties to apply to the Courts to set aside the award decision before the contract is entered into.
