II.1.4) Short description

Scottish Water Horizons is seeking parties prepared to participate in a competitive tendering procedure for the provision of pan-Scotland Consultancy Services to support our Developer Projects workstreams. The framework will be made up of two lots. All interested parties must stipulate to Scottish Water which lots they are interested in bidding for. Lot 1 Water & Drainage Impact Assessment Consultancy Lot 2 Flow & Pressure Testing The work is generally related to surveys but the work may on occasion require visits to sites across Scotland for investigation activity. Please note this will be multi award framework and the envisaged maximum number of participants to the framework agreement is unknown at this stage. Though the main body of activity will be with SW Horizons, SW reserves the right to engage with the framework directly if require and to

add to or merge workstreams with one another or the other lots based on market engagement.
