Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated without a prior call for competition

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - protection of exclusive rights, including intellectual property rights

Explanation:

As part of a regional IT Strategy there are a number of healthcare information systems which will fall under the scope of a regional solution. The EDAMS system has been established in the Trust for a number of years and falls within the scope of this regional strategy. To ensure continuity of service to the population served by the Trust until the regional solution has been implemented support for the existing system is required. The subject is subject to intellectual property protection and therefore not openly supported by third parties.
