II.1.1) Title

Liverpool Social Health Model: Enhanced Social Prescribing Services

II.1.2) Main CPV code

- 85100000 - Health services

II.1.3) Type of contract

Services

II.1.4) Short description

NHS Cheshire and Merseyside Integrated Care Board (ICB) is looking to procure an enhanced social prescribing service for Liverpool in order to equip, systematically, universal and first level health services with rapid access to a core determinants response for their patients. This service will be core element in the delivery of a proportionate and integrated model of social health in Liverpool, improving the way health and care services routinely respond to non-clinical risk factors, particularly those associated with deprivation and mental distress. The service will integrate with priority healthcare pathways and primary care based social prescribing schemes across the city.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 85100000 - Health services
- 85300000 - Social work and related services

II.2.3) Place of performance

NUTS codes

- UKD72 - Liverpool

II.2.4) Description of the procurement

The main objectives of setting up a Social Model of Health Services contract is as follows:

Provide a social welfare offer which is fully integrated into primary care and social prescribing services

Provide a blended social welfare and wellbeing offer for patients from mental health, pathway 0, perinatal, cancer, respiratory, urgent care services

Improve well-being, quality of life, social inclusion, community connectedness

Promote economic wellbeing and economic resilience

Support redistribution of demand for primary care, acute and social care services for better preventative health outcomes

Reduce duplication and fragmentation across social prescribing and well-being services in Liverpool

Contribute to the outcomes and evidence-base for social prescribing

Promote self-care

Promote the five ways to wellbeing

Provide advice clinics in health and community settings for patients

Support individuals to identify and access appropriate activities, assets, information and advice, develop and improve social connections

Help build health and wellbeing capacity in communities

Develop and strengthen effective partnerships and pathways

Appropriately support the service user to achieve their personal objectives

Collate, analyse and report to Commissioners on model impact

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £5,500,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

36

This contract is subject to renewal

Yes
