## **Engagement**

### **Engagement deadline**

28 January 2026

### **Engagement process description**

NHS England is advising suppliers of an upcoming tender for the NHS National Generics Pharmaceuticals - Supply Chain Resilience, to commence on 1st September 2026 for varying dates of up to 21 months with options to extend for a maximum total contract period of 48 months. This procurement will largely consist of previously terminated products of hospital only and oral (plus non-parenteral) products across all regions of the country. The purpose of this notice is to inform existing and potential new suppliers of this procurement. Useful information for suppliers can be found here [www.england.nhs.uk/medicines-2/medicines-value-and-access/medicines-procurement-and-supply-chain/](http://www.england.nhs.uk/medicines-2/medicines-value-and-access/medicines-procurement-and-supply-chain/) . Specific information regarding the products included in this procurement will be provided in the ITO which will be issued shortly.
