Section II: Object

II.1) Scope of the procurement

II.1.1) Title

AT1122 Drainage Works for Luton Council

Reference number

DN564307

II.1.2) Main CPV code

- 90000000 - Sewage, refuse, cleaning and environmental services

II.1.3) Type of contract

Services

II.1.4) Short description

Drainage works are required to cover blockages of toilets, baths, sinks and manholes, CCTV camera work to check the source of blockage or to see if there is a crack in the pipe.

The tender is for reactive and planned maintenance drain clearance services within its broad property portfolio of corporate buildings. The work will involve both reactive and planned maintenance and the tenders will be evaluated on the basis of price, quality and SV. The work will include emergency plumbing, blockage clearance, high pressure drain jetting, interceptors, cesspits, CCTV drainage surveys including reports and rainwater downpipe clearance.

II.1.5) Estimated total value

Value excluding VAT: £1,100,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

Lot No

1

II.2.2) Additional CPV code(s)

- 90000000 - Sewage, refuse, cleaning and environmental services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

Lot 1

Drainage works are required to cover blockages of toilets, baths, sinks and manholes, CCTV camera work to check the source of blockage or to see if there is a crack in the pipe. If there is a breakage in the pipe then LBC are liable so repairs, digging or radius patches (balloon then blown up in place) work needs to be undertaken by the Provider.

Investigations and reports for vermin, rats etc. on behalf of the pest control department and requests received from Housing to undertake reports on drains are also managed by BTS. The department provide the cost code and funds are taken from the HRA repairs budget.

Providers must be able to undertake some minor plumbing works also to take toilet out etc., make repairs and then replace the toilet to a good working order. If a blockage is due to the tenant then a re-charge is applied and sundry debtors chase payment. LBC is responsible to the property boundary and then the drains become the responsibility of Thames Water.

Luton Community Housing properties (approx. 250) to be included within the contract as well as some of the schools, mainly residential but some commercial. There are also some properties which are outside Luton – flats in Bletchley and flats in Queensway House where we are responsible for the soil stack and 25/30 properties in total within Dunstable and Houghton Regis.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £500,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds
