This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £21,000,000

II.2) Description

II.2.2) Additional CPV code(s)

- 45311100 - Electrical wiring work
- 45310000 - Electrical installation work
- 71314100 - Electrical services

II.2.3) Place of performance

NUTS codes

- UKI34 - Wandsworth

Main site or place of performance

Wandsworth

II.2.4) Description of the procurement

The provision of the service entails inspection and testing of Housing electrical installations across the borough include serving all Housing Sites and associated blocks, sub-building, offices, clubrooms, garages, store sheds and estates, including supplies to ancillary services such as boiler rooms and lift supplies. This is to be completed in accordance to British Standard (BS) 7671 and an Electrical Installation Condition Report (EICR) completed for each installation. Remedial works are required depending on the faults identified and their classification.

The Contractor will be required to complete EICR's and supply supporting information as detailed in the draft specification including but not limited to additional reports with details of the installation, any failings, recommended remedial action, quotations and photographic evidence to support the reports.

Services will also include management of the housing stock testing schedule, updating and amending the schedule as required, and liaising with third-party service providers where and as necessary.

Remedial works are required depending on the faults identified and their classification.

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

The Buyer will incorporate a minimum 10 calendar day standstill period at the point information on the award of the contract is communicated to Tenderers. Applicants who are unsuccessful shall be informed by the Buyer as soon as possible after the decision has been made as to the reasons why the Applicant was unsuccessful. If an appeal regarding the award of the contract has not been successfully resolved, The Public Contracts Regulations 2015 (SI 2015 n° 102) provide for aggrieved parties who have been harmed or are at risk of harm by breach of the rules to take legal action. Any such action must be brought within the applicable limitation period. Where a contract has not been entered into, the Court may order the setting aside of the award decision or order the Buyer to amend any document and may award damages. If the contract has been entered into the Court may, depending on the circumstances, award damages, make a declaration of ineffectiveness, order the relevant Buyer to pay a fine, and/or order that the duration of the contract be shortened. The purpose of the standstill period referred to above is to allow the parties to apply to the Courts to set aside the award decision before the contract is entered into.
