#### **II.1.4) Short description**

Blackpool Council ICT Services provides a managed technology service to Blackpool Council staff and a number of external customers. To support the requirements of our customers, we are looking to set up a framework agreement for the provision of audio visual (AV) equipment and associated services. The successful bidder will need to supply an extensive range of audio visual equipment on a regular basis to cover a wide range of requirements, including (but not limited to) display screens, projectors, headsets, recording solutions and audio visual conferencing equipment in the form of meeting room arrays and large theatre system arrays.
