I.6) Main activity

Production, transport and distribution of gas and heat

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

FW Supply & Install - SGN Energy Management Solar PV - 0324

Reference number

Project_1034

II.1.2) Main CPV code

- 09330000 - Solar energy

II.1.3) Type of contract

Supplies

II.1.4) Short description

The project includes works to provide solar PV renewable energy installations to multiple sites, these works may affect minimally the existing the electrical services affected by the installation at each Site.

The above includes;

- Full completion of the pre-start surveys as detailed further in this specification
- The design of the solar PV renewable energy installation, a minimum 40% reduction in electricity purchasing requirements should be achieved through design, although area available for the installation will be taken into account during the design phase.
- Extension of existing or installation of new LV power supplies to serve the installation and achieve a compliance.
- Making good the building fabric to ensure a neat and tidy installation
- Remove all redundant equipment and materials from site. Where possible, recycling waste material and equipment.

The works include the removal, supply, installation, testing and commissioning of the materials, plant, and equipment works as detailed herein and on the associated project documentation, to enable a complete safe working system.

The installations are to be complete in every respect including all ancillaries, whether specifically mentioned or not.

II.1.5) Estimated total value

Value excluding VAT: £1,500,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

Maximum number of lots that may be awarded to one tenderer: 2

II.2) Description

II.2.1) Title

Lot 1 Southern

Lot No

1

II.2.2) Additional CPV code(s)

- 09332000 - Solar installation

II.2.3) Place of performance

NUTS codes

- UKJ - South East (England)

II.2.4) Description of the procurement

For the supply installation and commissioning of Solar PV panels across various SGN sites in the South and South east of England

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

12

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: Yes

Description of options

optional 12 month extension

II.2) Description

II.2.1) Title

Lot 2 Scotland

Lot No

2

II.2.2) Additional CPV code(s)

- 09330000 - Solar energy

II.2.3) Place of performance

NUTS codes

- UKM - Scotland

II.2.4) Description of the procurement

for the supply, installation and commissioning of Solar PV panels across various sites across Scotland

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

12

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: Yes

Description of options

optional 12 month extension available at the buyers discretion

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure with prior call for competition

IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

IV.2) Administrative information
