Description

Rossendale Borough Council has awarded a three-year contract for the provision of retail water and wastewater services covering multiple Council sites across the Borough. The contract includes the supply of potable water, wastewater and sewerage services, consolidated monthly billing, and full account management support including access to online platforms and consumption information. The supplier must comply with all statutory and regulatory obligations, including environmental standards, data protection requirements, and Council policies on ethical conduct and social value. The estimated total value of the contract over the three-year term is £250,000-£300,000 excluding VAT.
