I.4) Type of the contracting authority

Regional or local authority

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

One Horton Heath - Lower Acre Civil Engineering Services

Reference number

DN532733

II.1.2) Main CPV code

- 71300000 - Engineering services

II.1.3) Type of contract

Services

II.1.4) Short description

The service required of the Civil Engineer will be to develop the detailed planning stage information into a fully detailed design for tendering 393 new homes across two parcels with an option within the procurement for a further parcel of 110 new homes.

The Civil Engineer is responsible for submitting applications for approvals / technical approvals by Statutory Bodies and other third parties.

During the main contract tender processes for the design and build main contractor(s) and the construction stage the Civil Engineer will be retained by EBC to carry out compliance checking and to respond to main contractor site and design queries.

II.1.5) Estimated total value

Value excluding VAT: £600,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 71300000 - Engineering services

II.2.3) Place of performance

NUTS codes

- UKJ - South East (England)
- UKK - South West (England)

II.2.4) Description of the procurement

In its role the Civil Engineer must deliver RIBA Stage 4, detailed design for the first 393 new homes along with main contract tender and construction phase compliance checking for Parcel 1.1, 1.2 with an option within the Contract for a further parcel (Parcel 1.3) of 110 new homes. The construction stage for each parcel will be carried out under its own design and build contracts.

The Civil Engineer is responsible for submitting applications for approvals / technical approvals by Statutory Bodies and other third parties (including Planning Permission, Section Agreements etc.).

The Civil Engineer will be required to co-ordinate input and responses from all other Authority appointments including any specialists, suppliers, warranty provider and / or statutory authorities as necessary.

The Civil Engineer will engage with the main contractor tender process ensuring bids comply with the Employers Requirements, assist in responding to civil engineering queries during the bidding period and for compliance checking of bids. It is anticipated that the main contractor tender process will be run as a competitive dialogue procedure.

During the construction stage the Civil Engineer will carry out compliance checking duties every other month and respond to site queries as they arise.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £600,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

62

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: Yes

Description of options

There will be an option within this procurement (to be exercised at EBC's sole discretion) for a further parcel (Parcel 1.3) of 110 new homes, which will be subject to a separate detailed planning application. The character, typology and density will be similar to that of Parcel 1.2. The estimated value of this is £175,000.00 which is included within the estimated value at 11.1.5

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure
