#### II.1.4) Short description

London Borough of Hammersmith & Fulham (the "Authority") invites expressions of interest from suitability qualified and experienced organisations for the provision of its Waste Collection, Recycling and Street Cleansing Services Contract (the "Contract"). The services under the Contract will include waste collection and recycling services, cleansing services, and other supporting services (including container management, customer care and satisfaction, service requests and complaints management, and communications). In addition to the core elements of the services, there are a number of services which are included in the procurement and in the potential scope of the Contract, which are more fully set out in the procurement documents, and referred to as 'Provisional Services' and 'Anticipated Changes'. The Authority intends to make site(s) available for the provision of the services. In relation to the provision of vehicles and any provision of finance for vehicles, interested applicants are referred to the procurement documentation for information. Interested applicants are further directed to Section VI.3 below for further

details in relation to the Contract, including information about the scope of services, length of contract and estimated value.
