Maryhill Housing Association Limited (the Association) is committed to maximising community benefits from its procurement activities. Under this Contract the Consultant is required to support the Association's social, economic and environmental objectives. Accordingly, some contract performance conditions relate in particular to Community Benefits, including social and environmental considerations. The Community Benefits to be provided by the Consultant as an essential aspect of the delivery of this Contract are defined in Appendix E of this Contract. For tendering purposes, the Community Benefits applicable to this contract are estimated at 40 points, giving an estimated community benefits contribution requirement to the value of 2,160GBP.

If any Community Benefit is not delivered in full and to the satisfaction of the Association by the end of the contract as set out in this brief, then:

- Such late, partial or non-delivery shall constitute a breach of this Contract; and
- Within fourteen [14] days of receipt of a notice from the Employer specifying the failure to deliver any relevant Community Benefit, (in addition to being a breach of this Contract) and without prejudice to any other remedy the Association may have, the Consultant shall pay to the Association the amount specified for the particular Community Benefit(s) as set out in the said Community Benefit Invoice issued to the Consultant by the Association.
