- 32412110 - Internet network

II.2.3) Place of performance

NUTS codes

- UKF - East Midlands (England)
- UKG - West Midlands (England)

II.2.4) Description of the procurement

The Trust requires high-speed internet connectivity, firewall protection, and web/application filtering services for its 21 academies. The provider will be responsible for:

Supplying and maintaining reliable, high-performance internet.

Implementing cybersecurity measures, including firewall protection.

Providing filtering to ensure compliance with safeguarding and regulatory standards.

Installing and integrating with existing systems.

Offering ongoing support and maintenance.

The contract will focus on value, security, and compliance with educational needs.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

36

This contract is subject to renewal

Yes

Description of renewals

This contract is for the renewal of internet connectivity, firewall protection, and

web/application filtering services for the Trust's 21 academies. The provider will continue to offer:

Reliable, high-speed internet access.

Ongoing cybersecurity protection through firewall services.

Filtering to comply with safeguarding standards.

Regular maintenance, updates, and technical support.

The renewal aims to ensure consistent, secure services that meet the evolving needs of the Trust.
