II.2.4) Description of the procurement

This is a requirement for a Provider with a minimum of three years organisational experience in delivering enhanced Care, Support and Enablement (CSE) services to people with complex needs, including a learning disability or autism diagnosis, within living situations staffed on a 24-hour basis. The Provider must also have, within their organisation, an active registration with the Care Quality Commission (CQC) for delivering personal care services and will need to ensure that personal care delivered in relation to this service is covered by their registration before the Contract commences.

Provision of the housing element is not in scope of this Contract.

The service will meet the CSE needs of up to 5 adults (aged 18 – 64) requiring 24-hour support and any individualised 1:1 hour's depending on the needs of individuals.

The service will be delivered in a newly built housing development in the Mansfield District of Nottinghamshire. The service will comprise 5 highly bespoke self-contained apartments plus office and sleep-in accommodation. The housing will be provided by Choice Support and the Provider will be required to enter into a Service Level Agreement with Choice Support.

It is planned that the assessment and transition work that will be the responsibility of the Provider will commence in August 2022 and the service will be fully operational within the housing development by February 2023. This may be subject to change.

The Contract will have an initial term of 4 years with the potential to extend for a further two years in increments of 12 months.

The Contract value of this requirement is estimated to be up to £2,000,000 per annum. Therefore, over the maximum term available (6 years) the Contract value of this requirement is estimated to be up to £12,000,000.
