II.2.4) Description of the procurement

Ceredigion County Council Housing Service Team has been successful in a capital bid for funding under the National Grid's Warm Homes

Fund (<https://www.affordablewarmthsolutions.org.uk/warm-homes-fund/overview>) and is now seeking a project manager to

oversee the work. The aim of the scheme is to reduce fuel poverty by improving comfort levels and lowering fuel costs within households in Ceredigion through the installation of a variety of heating solutions. These installations will be in privately owned residential properties with the work being financed from a number of sources, including Warm Homes Fund, with match funding from ECO.

The project will run over 24 months and aims to deliver first time central heating installations with accompanying insulation measures into energy inefficient properties housing vulnerable households.

II.2.5) Award criteria

Quality criterion - Name: Quality Criteria / Weighting: 100

Price - Weighting: 0

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

https://www.sell2wales.gov.wales/search/search_switch.aspx?ID=119119

Under the terms of this contract the successful supplier(s) will be required to deliver Community Benefits in support of the authority's economic and social objectives. Accordingly, contract performance conditions may relate in particular to social and environmental considerations. The Community Benefits included in this contract are:

Community Benefit is important for Ceredigion; bidders are asked to advise what you would offer as part of delivering a scheme in Ceredigion?

There should be no added costs to the householders, or any costs to the Council in relation to the delivery of Community Benefit projects by the Contractor. Examples of Community Benefit support types are cash contributions, in-kind labour or other in-kind contributions.

(WA Ref:119119)

The buyer considers that this contract is suitable for consortia.
