VI.3) Additional information

NHS Supply Chain expects to provide successful suppliers with the opportunity to offer additional savings to customers through the provision of discounted pricing, value added offerings and commitment/bulk buy initiatives.

The NHS has adopted PPN 06/20 (taking account of Social Value in the award of Government Contracts) 2022, and therefore this future Framework Agreement will include some qualitative evaluation questions on Social Value with a min. weighting of 10% towards the award. For more information on Social Value and to understand what's included in Social Value, please see:

<https://www.gov.uk/government/publications/procurement-policy-note-0620-takingaccount-ofsocialvaluein-the-award-of-central-government-contracts>. In addition, from April 2023: the NHS will adopt the Government's 'Taking Account of Carbon Reduction Plans' (PPN 06/21) requiring all suppliers with new contracts for goods, services, and/or works with an anticipated contract value above £5 million per annum, to publish a carbon reduction plan for their direct emissions. From April 2024, the NHS will expand this requirement for all new contracts, irrespective of value. From April 2024, the NHS will expand this requirement for all new contracts, irrespective of value.

NHS Supply Chain is currently considering the use of Lots for this procurement. However, it reserves the right not to as part of any future tender process. Further information in respect of the lot strategy will be set out in the notice for the forthcoming procurement.
