## **Scope**

## **Reference**

C388661

## **Description**

2.1 This service is required for the MHRA site at South Mimms EN6 3QG.

2.2 A new label applicator for the manufacturing department within MHRA is required. The aim of this machine is to improve labelling accuracy, efficiency, and output.

2.3 The machine will also improve the quality of biological reference materials produced by ensuring consistency of labelling across all containers and batches.

2.4 The machine will be designed, built, delivered and commissioned. There will be ongoing service contracts, which includes planned preventative maintenance, and call-out/response agreements to manage corrective repairs all aimed at minimising machine downtime.
