II.1.3) Type of contract

Supplies

II.1.4) Short description

NHS Greater Manchester Integrated Care Board is inviting suitably experienced and capable providers to apply for the Procurement for the Provision of Individual Carbon Monoxide Monitors and Distribution Services for Pregnancy Smoking Cessation Support.

The Contract to be offered to the Recommended Bidder at the end of this Procurement will be for a duration of up to two years which is intended to run from the Commencement Date (anticipated to be from April 2024 at the earliest) with the option to extend for an additional two years, up to a maximum contract duration of four years. The estimated value of the contract is £110,000 per annum and estimated overall maximum contract value of approximately £440,000 for the maximum term of the contract. The Contracting Authority requires the Specification to be delivered for an indicative estimated number of 1500 or more iCO devices for each contractual year. NHS Shared Business Services is an agent of the Contracting Authority, acting on its behalf solely to carry out the Procurement. All decisions regarding the Contract will be made by the Contracting Authority.

For full details of the Service and any additional information regarding this Procurement please see link to the Specification and Invitation to Tender documentation that can be accessed via SAP Ariba.
