II.2.5) Award criteria

Quality criterion - Name: Meets College Requirements / Weighting: 100

Price - Weighting: 0%

II.2.11) Information about options

Options: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:

- absence of competition for technical reasons

Explanation:

The College has purchased the following items of equipment:

1. Festo CP Lab 400 Complete System including CP Lab 410-1 and CP Lab 404-1
2. Mechanical Trainers (specifically linked to (1) above)
3. User Licences (specifically linked to (1) above)
4. Smart Sensor Training Package (specifically linked to (1) above)

The items of equipment are manufacturer-specific and are required by the College to train its students and apprentices in the use and maintenance of this specific equipment. This equipment is used by the local employers whose students and apprentices attend training courses at the College.

The proposed system to be purchased links to existing equipment installed in the College for training purposes that was selected following a competitive tender at the time of its purchase.

The College is not aware of any other company capable of supplying this specific equipment, as the supplier is the only

official/accredited partner in the UK & Ireland for the specific equipment being purchased.

The College previously published a VEAT notice to this effect and it received no objections.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

IV.2) Administrative information

IV.2.1) Previous publication concerning this procedure

Notice number: [2023/S 000-002414](#)
