I.4) Type of the contracting authority

Body governed by public law

I.5) Main activity

Other activity

Postal and banking services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Self Service Terminal next generation

II.1.2) Main CPV code

- 30200000 - Computer equipment and supplies

II.1.3) Type of contract

Supplies

II.1.4) Short description

Post Office is looking to engage with suppliers in pre-market engagement for a new generation of self service kiosks to automate postal and other services.

Please see the final section for details on registering with our e-sourcing system.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

National

II.2.4) Description of the procurement

Post Office currently utilises around 600 self service kiosks across it's estate. These will need to be replaced over the next couple of years along with possible expansion of this offering into new branches.

Post Office is interested in a modular solution that can adapt to different settings and use cases.

The contract will include support and maintenance of the kiosks for a period of at least 5 years.

The contract is likely to involve the provision of EPOS software for the terminals but this must integrate with Post Offices product journey engines and other systems.

II.2.14) Additional information

Replaces similar PIN published in 2022

II.3) Estimated date of publication of contract notice

1 June 2023

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

The Post Office Limited (POL) intends to conduct a virtual Pre-Market Tender Engagement and wishes to invite potential suppliers to participate. For Suppliers who wish to participate and attend Pre-Market Tender Engagement should ensure they are registered in advance which can be done, at no cost, using the following link:

<https://postoffice.wax-live.com/S2C/> .

This prior information notice (PIN) is to alert potential suppliers to the Pre-Market Tender Engagement and to the future opportunity.

This PIN does not constitute a call for competition to procure any services, supplies or works mentioned in this PIN and POL will not accept any proposals offered in response to this PIN.
