Section II: Object

II.1) Scope of the procurement

II.1.1) Title

TfL95293 - Framework Agreement for Cartography Services

Reference number

DN594381

II.1.2) Main CPV code

- 79820000 - Services related to printing

II.1.3) Type of contract

Services

II.1.4) Short description

Transport for London (TfL) is seeking Service Providers for the provision of cartography services.

The Print Customer Information Team within the Customer Information, Design and Partnerships (CIDP) team in TfL delivers customer information for the entire TfL network, of

which mapping products make up a significant proportion of published pieces.

TfL intends to commence a procurement process for the creation of a Framework Agreement

which will feature Lots relevant to various cartography requirements. The intended Lot structure is listed below:

Lot 1: Bus Customer Information

Lot 2: Tube and Rail Including Licensing

Lot 3: Legible London & Cycle Hire Docking Stations

Specific Lot requirements will vary but will involve the creation of new maps within existing and new styles as well as updates/ amendments to existing maps. A full breakdown of the scope of services required will be included within the tendering documents.

The following services are out of scope:

- Printing of any artwork, mapping or designs.
- Design of published items without any mapping element or where the majority of the work is

design of non-mapping elements.

Although the majority of requirements utilising the Framework Agreement will stem from TfL

business units, Crossrail, London and Partners and other Greater London Authority Functional Bodies may make use of the Agreement.

II.1.5) Estimated total value

Value excluding VAT: £3,650,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

- UK - United Kingdom

II.2.4) Description of the procurement

TfL's Tube and rail services include London Underground, London Overground, Docklands Light Rail and the Elizabeth line. Typical cartography requirements include multiple versions of network maps depending on customer requirements and map product location.

Cartographic requirements include, but are not limited to:

- Tube maps
- In car maps for all modes
- Weekly engineering maps
- As hoc tube and rail closure maps
- Rail replacement bus linears
- DLR and Rail Network map

This Lot also includes the provision of tube map licensing. TfL Marketing Services licenses various versions of the standard 'Tube map' and 'Rail and Tube map' products to third parties who wish to include these in their own printed or digital publications. The Service Provider will be expected to administer this licensing process on behalf of TfL Marketing Services.
