Lincolnshire County Council (“the Customer) requires the supply of a high quality Behaviour Outreach Support Service (“the Service”) from 1st September 2022. For the avoidance of doubt this means that the Service shall be fully operational from 1st September 2022.

The Service shall be a term time only service that primarily works with Lincolnshire mainstream schools and academies to support pupils displaying distressed behaviour that is compromising their learning and school attendance, and/or the learning of their peers, and who are at risk of exclusion.

The Service shall be an integral part of the Customer’s Lincolnshire Ladder of Behavioural Intervention (the “Ladder”) which provides a protocol for Lincolnshire mainstream schools and academies to follow a stepped approach to supporting the needs of pupils at risk of exclusion, including vulnerable groups.

The Service shall have a strong focus on early intervention and prevention, including working as part of a child-centred multi-disciplinary approach with other relevant services in order to build resilience across Lincolnshire mainstream schools and academies, increase inclusion and promote a collective responsibility to improving pupils’ social, emotional wellbeing and mental health concerns.

The Service shall provide a high quality core and non-core training and workshops offer which shall have a key focus on inclusion and understanding the causative factors of pupils’ distressed behaviours, including pupils with special educational needs and/or disabilities (SEND). Targeted and intensive outreach support shall also be available to Lincolnshire mainstream schools and academies where a referral to the Service has been made via the Customer.

An online supplier briefing event will be held on the 7th March at 1pm, there will be information provided on how to complete the ITT documentation. You can book a place on Eventbrite by copying and pasting the following link in your browser:
