II.1.4) Short description

High Speed Two (HS2) Limited ('HS2 Ltd') continues to manage the largest land referencing and acquisition programme in the UK in more than 70 years, managing tens of thousands of land and property records, and thousands of land parcels, and engaging with tens of thousands of affected parties and stakeholder groups. This programme is a key enabler to the successful construction of the HS2 project.

Land referencing is a process by which legal interests in land, whether they are ownership, tenancy, licence, or rights of access, are researched and validated to ensure full and proper service of legal forms of notice under a range of orders and statutes.

To support this land referencing programme, HS2 Ltd is seeking to procure a multi-supplier Land Referencing Services Framework to provide:

- Land Referencing Services (Lot 1)
- Technical Support Services (Lot 2)

Further details relating to the requirements of the above Lots can be found within this contract notice and the procurement documentation

HS2 Ltd intends to appoint up to six Framework Agreement Suppliers for Lot 1 and up to four Framework Agreement Suppliers for Lot 2.

In order to gain access to the procurement documentation please create a free account on HS2 Ltd's e-sourcing portal, JAGGAER, by following this link and clicking register - <https://hs2.bravosolution.co.uk>. If you already have an account, you will not need to register again. Applicants can access the PQQ documentation via the "Current Opportunities" link on the home page.
