## **VII.2) Information about modifications**

### **VII.2.1) Description of the modifications**

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

This modification is for the provision of additional licences.

### **VII.2.2) Reasons for modification**

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

The Contracting Authority will be replying on Regulation 72(1)(b) this is on the basis that additional licences which were not considered necessary at the time of procurement, are now required due to an increasing number of projects which require support for image anonymisation and classification of point clouds. This will ensure continued optimum data capture for the remainder of the term of the contract, without any income loss for LPS and with full GDPR compliance.

### **VII.2.3) Increase in price**

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £32,526

Total contract value after the modifications

Value excluding VAT: £605,627
