II.1.4) Short description

Coventry University Protection Service is currently managed by a dedicated contract management team with the additional support of two in-house senior security positions. The current contract is now nearing the end of its duration and Coventry University is planning for the next contract to commence 01/08/2021. It is anticipated that the contract term will consist of an initial period of three years, with the option to extend for two additional one-year periods subject to yearly satisfactory performance reviews. Any extension will be subject to the costings submitted by the Contractor within its bid. It is estimated that spend over the full term of the contract would be in the region of £15m. The estimate for the purposes of open advert is £17m and this allows for potential expansion of the contract. For the avoidance of doubt, these figures represent an approximation of spend only, it does not commit Coventry University to a guaranteed level spend over the term of the Contract.
