The contract is likely to be subcontracted

Value or proportion likely to be subcontracted to third parties

Proportion: 54 %

---

## **Section VI. Complementary information**

### **VI.3) Additional information**

This is a priority climate change contract, bidders are required to complete and return the attached Climate Change Plan template.

SPD question 2A17 – Form of Participation (Notably as part of a group, consortium, joint venture or similar).

Any contract will be entered into with the nominated lead organisation and all members of the consortium, who will in these circumstances each be required to execute said contract together with all ancillary documentation, evidencing their joint and several liability in respect of the obligations and liabilities of the contract. It will be for members of the consortium to sort out their respective duties and liabilities amongst each other. For administrative purposes, any associated documentation will be sent to the nominated lead organisation.

SPD Statement for 2C.1 - Where the main bidder relies on the capacities of other entities in order to meet the selection criteria, the bidder must provide a separate SPD response setting out the information required under SPD (Scotland): Part II (sections A and B); Part III exclusion grounds; the relevant part of Section IV selection criteria; and Part V (if applicable) for each of the entities concerned.

SPD question 2D1.2 – If the bidder proposes to subcontract any part(s) of the service and those sub-contractors are not relied upon, they should arrange for a separate SPD response from each potential subcontractor. The subcontractors must complete the relevant parts of the SPD (Scotland) (Sections A and B of Part II and Part III only) to self-declare whether there are grounds for their exclusion.

(SC Ref:758720)
