II.1.4) Short description

The V&A is seeking to enter into a non-exclusive Framework Agreement with a single frame provider to provide frames as and when required. The Framework Agreement will primarily be used for the supply of standard frames at set prices, with the option to request quotes for bespoke frames. No volume is guaranteed but it is anticipated that the spend per year will be approximately £15k-£25k, with the possibility of occasional larger requirements for temporary exhibitions and displays.

II.1.5) Estimated total value

Value excluding VAT: £120,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKI - London

Main site or place of performance

II.2.4) Description of the procurement

The V&A regularly requires museum quality frames for framing for 2D objects across the sites. The V&A's framing requirement is mostly generated by replacement of damaged stock to be used for 2D objects going on display, which is managed by the Technical Services department. There are also occasional larger requirements for temporary exhibitions and displays that have 2D content.

Samples will be required as part of a compliant tender for this contract.
