Scope

Description

Pennon Group is conducting preliminary market engagement to gain further feedback from the market and assess the market's appetite and views on formulation of the requirement to help inform the specification and further decision making in relation to the planning and conduct of the procurement.

The objectives of this pre-market engagement are to:

a) Test market appetite and capability to deliver the services:

- As individual services (travel management or expense management solution); and
- As a combined bundle under a single integrated contract;

b) Understand supplier interest in participating in one or more of the proposed lots.

Important Information:

- This pre-market engagement does not form part of any formal procurement or competition.

- Any responses provided will be treated as confidential, used for information-gathering purposes only, and will not be assessed or scored.
- Participation (or non-participation) will not advantage or disadvantage suppliers in any future procurement.
