II.1.4) Short description

*** Please note, this advert is for information purposes only. You will only be able to

register an expression and interest in this opportunity via the Proactis portal. Instructions on how to do this are detailed below***

Somerset County Council established a Dynamic Purchasing System (DPS) under which to conduct all procurement activity for the provision of high quality and cost effective Passenger Transport via the Proactis portal.

Somerset County Council has now been replaced by Somerset Council (as the continuing Authority) who are continuing to operate the DPS.

<https://www.proactisplaza.com/supplierportal/Public/Opportunities.aspx>

The total value of the DPS over the agreement period for all four Lots is GBP 120,000,000

This is an essential service that Somerset Council offers to children and families.

The type of transport the Council provides includes Home to School transport service for children in mainstream education and children with Special Educational Needs (SEN), Children and Adult Services, County bus services, Ad Hoc Taxis and Minibus / Coach hire, and any other passenger transport services.

On certain routes there is a requirement for regular drivers, and/or passenger assistants. The Council also provides scheduled local bus services to meet public transport requirements which would otherwise not be met; these are scheduled public passenger transport services that transport citizens within the boundary of Somerset Council and across neighbouring council boundaries, when the Council provides additional subsidised services.

Somerset Council is managing this procurement process in accordance with the Public Contracts Regulations 2015 (SI 2015/102)

The DPS is split into four Lots; suppliers will be able to bid for one or more Lots as follows

-

- Lot 1: Vehicles over 23 passenger seats
- Lot 2: Vehicles 9 to 22 passenger seats
- Lot 3: Vehicles up to 8 passenger seats
- Lot 4: Vehicles up to 8 passenger seats where contracts are required on an accelerated timescale
