II.2.3) Place of performance

NUTS codes

- UKM82 - Glasgow City

II.2.4) Description of the procurement

We are looking to secure a delivery partner to support us in continuing the implementation of

our Transformational Change Programme. The successful provider must have expert knowledge, experience and capabilities in Active Implementation along with an excellent understanding of the strategic and policy context within which we operate. Understanding of frontline health and social care practice will also be vital.

The successful provider will support us by;

- Taking a whole systems approach and working closely with the senior management team providing Active Implementation coaching, governance and project management to support the delivery of our Transformational Change Programme 2022 – 2024 (+ one year following review)
- Ensuring alignment of the vision and aims of the Transformational Change programme throughout our services and importantly with the vision and aims of partner agencies, providers and children and families
- Upskilling managers and staff on the application of the Active Implementation methodology and frameworks
- Developing an effective model of consistently high quality care practice applicable across our services building on current good practice, research and evidence tailored to service needs and consolidating strengths based assessment and intervention
- Implementing the model across our system including the design, testing, implementation, scaling up and evaluation.

II.2.14) Additional information

Providers wishing to be considered for any future Invitation to Tender must complete the Provider Experience Pro-Forma as per instructions detailed within this document. Please return your completed Provider Experience Pro-Forma by noon on Wednesday, 16th March 2022 to james.barr@glasgow.gov.uk using the title "TRANSFORMATIONAL CHANGE PROGRAMME – ACTIVE IMPLEMENTATION PIN" in your email header.
